

ROCK ON & FROCK OFF AT PURA DALEM KELIKI WITH STEPTOE NOVEMBER 12

Blimey, they'd only just escaped from bleary blighty, but apparently hare raiser BARNACLE BALLS had collared them prior to home leave in May. So lucky STEPTOE was able to show them the way. Bugger me, is that chap involved in any activity other than HASHING? Superb runs of nine k and half that with but one hairy bit, though I heard not enough susu and too much aspal - well what do you expect at these elevations? BARNACLE BALLS enjoyed it so much that he ran an extra two k, or more likely miles, possibly on old paper: there was plenty about. Only one mishap - old crone obstructed entry to to chicken battery so ROCK ON obliged to vacate bar and resent. A number of late-comers and at least one regular proposed reinstatement of 16.30 start. MISMANAGEMENT should give serious consideration to this with solstice and longest day in the offing.

Attempted murder was the cry respecting that dodgy passage/mudslide following transit of 100 bums and proximate pithead. So ROCK ON perfunctorily shriven. I've seen worse. It being Hari Kesehatan Nasional and the day after Armistice Day all hounds baying bloodily and YWGMH gave us Good Ship Venus in honour of Admiral Stark (b 1880 on this very day and C-in-C of US Navy at outset of WW II) succeeded by BARNACLE BILL by WOODEN EYE - BARNACLE BILL THE SHITHEAD from JOKY JOE Venuti hot Eyetic fiddler - remember? You should. And there was HORNY HERRING proudly sporting JAKARTA HHH 50 years shirt. Excellent show said he. Did anyone else from Bali attend, aside of course from HARD CASE, HAMMERSLEY HHH notwithstanding, always one of ours? WORM then kindly transported this miscreant to FLY where LA BELLA, JOROK, BLOW JOE, STEPTOE & SNOWBALLER had a nightcap or something. Forgot to mention highly civilized Chink HASHER from SINGAPORE HHH who told me that JOHN O'ROURKE was GM when he joined in 80 something really? CLYDE LANE & GRAEME DOUGLAS still at it, and never mind EASH names. Wonders never cease. See you at VICTOR AWARDS on Friday 19th.
